It gives us, University of Bath Students' Union great pleasure in hosting this year's Varsity event between University of Bath and Cardiff Met at the Sports Training Village on Wednesday 18<sup>th</sup> April 2018.

The day celebrates student sport and brings together some of the best sporting talent from both Universities. We will showcase nine competitive sports; Badminton, Rugby, Football, Netball, Hockey, Volleyball, Wheelchair Basketball, Water Polo and Basketball, along with a variety of fun spectator activities.

There will be music playing between 12pm – 8.00pm. The music will be kept to a minimum as the sport matches will be taking place throughout the day, therefore we do hope there will be no disruptions to your day.

We are hoping that the day will be well attended by 1500+ students, staff and friends alike, and hope to create a fun filled day which everyone will enjoy. We appreciate the location is close to your home so we would like to provide a contact for you should you need to report any disruptions due to the event, tel: 01225 386607/07498 063066 or [subathsport@bath.ac.uk](mailto:subathsport@bath.ac.uk)

It will be a highly competitive day with teams looking to secure a win to help their University to the title of Varsity Champions 2018.

If you would like to spectate we would be delighted for you to join us and celebrate not only the event but the end of the sports season, we hope to see you on the day.
