Dear Member,

RUHmembership@nhs.net
www.ruh.nhs.uk

The next of our Caring for You events will focus on The Role of Carers in Hospital and is taking place as follows:

Caring for you

The Role of Carers in Hospital
23rd July 2019, 18:00 – 19:30
Post Graduate Medical Centre, Department B20
RUH, Bath, BA1 3NG

One of the most important things we do is looking after the families of our patients, many of whom may also be unpaid carers. We recognise that often carers are experts in the care of their loved one, and by listening to and involving carers we can ensure we're providing the highest quality of care for our patients' individual needs.

Please come along to this informative session to learn about the role Carers can play at the RUH. You will get the opportunity to meet members of our specialist teams, hear about support that is available at the Trust as well as in the community.

Places must be booked so please contact the Membership office on 01225 821262 or via email at RUHmembership@nhs.net

You don't have to come alone – friends and family are welcome. And if they aren't already members of the RUH, just let the Membership Office know their name and we can sign them up on the night.

With very best wishes

Roxy Milbourne,
Membership & Governance Manager
